RE: JOB POSTING – THERAPEUTIC STAFF SUPPORT POSITIONS

SALARY \$11.00

The following position is available to candidates who meet the following requirements listed below:

The Therapeutic Staff Support Worker is expected to provide child focused services to an individual child that will help reduce the stress of family members responsible for the care of special needs children. He/she is specifically responsible for:

- Providing emotional supports
- Parent modeling and assistance
- Time out strategies
- Passive restraints
- Immediate behavioral reinforcement
- Teaching of crisis management skills
- Administering prescribed medication to the child when specifically so authorized by the parent or primary caregivers in writing.
- Escorting the child for medical service appointments and outings that promote socialization, learning and fund (if so defined in the treatment plan).

Requirements:

A Bachelor's Degree in Psychology or any related human service field with training and experience in crisis intervention.

Minimum of one (1) year experience.

Please submit resume to Cynthia Williams or Crystal Garland – Human Resources by Tuesday, September 4, 2001.
